

Sexual Health: Quality Resources

Compiled by the National Network of Libraries of Medicine Southeastern/Atlantic Region

www.nlm.gov/sea

General:

MedlinePlus

<http://www.medlineplus.gov>

<http://www.medlineplus.gov/salud>

MedlinePlus brings together authoritative information from the National Library of Medicine, the National Institutes of Health (NIH), and other government agencies and health-related organizations. You can search by health topics and drugs and supplements. MedlinePlus also has an encyclopedia with pictures, online tutorials, a medical dictionary, surgical videos, and information in English and Spanish.

Family Doctor

<http://familydoctor.org>

Teens: <http://familydoctor.org/online/famdocen/home/children/teens.html>

Women: <http://familydoctor.org/online/famdocen/home/women.html>

This Web site is operated by the American Academy of Family Physicians (AAFP), a national medical organization. All of the information on this site has been written and reviewed by physicians and patient education professionals. You can search health information for women, men, seniors, parents, and children in English and Spanish.

NIHSeniorHealth

<http://nihseniorhealth.gov/>

Created by the National Institute on Aging and the National Library of Medicine, NIHSeniorHealth is a website for older adults. It contains aging-related health information that is easily accessible for family members and friends seeking reliable, easy to understand health information. Online videos are also available here.

Centers for Disease Control (CDC)
