# Year 2 @ MAR & Other (resources)

## Jnl. Club collaboration among the other RMLS

*May 11, 2017 [Information Needs in the Precision Medicine Era: How Genetics Home Reference Can Help](#) (link is external)*

- Precision Medicine – All of US Research Program [All of Us Research Program, formerly known as the PMI Cohort Program](https://www.nih.gov/research-training/all-of-us-research-program) <https://www.nih.gov/research-training/all-of-us-research-program>
- Community Outreach continues: Older Adult Month In MAY- Age Out Loud

## What's new?

- [HLRP: Health Literacy Research and Practice](#). A new and important online journal focused on health literacy. As described on its website, HLRP "is an interdisciplinary and international open-access publication dedicated to promoting excellence in research and practice to advance the field of health literacy, promote health equity, and reduce health disparities."
- New edition of [AHRQ Health Literacy Universal Precautions Toolkit, 2nd edition](#). As stated on the website, this Toolkit "can help primary care practices reduce the complexity of health care, increase patient understanding of health information, and enhance support for patients at all health literacy levels." This resource is valuable to anyone who provides health information to the public. This edition includes new features such as new resources for assessing written materials.

# Wisconsin Health Literacy Highlights

- *Implicit Bias You are What People Hear*  
Dr. Winston Wong (not Wilson)
- we use the term “implicit bias” to describe when we have attitudes towards people or associate stereotypes with them without our conscious knowledge
- The Harvard Implicit Association Test (IAT ) test for race  
<https://implicit.harvard.edu/implicit/takeatest.html>

# New MLA MEDED site

The screenshot displays the MEDED Professionals website interface. At the top, there is a navigation bar with links for ABOUT, MY LEARNING, CATALOGS, CERTIFICATES, CREDENTIALS, COMPETENCIES, and RESOURCES. Below this, the NIH U.S. National Library of Medicine logo is prominent, with the text "National Network of Libraries of Medicine".

The main content area is titled "NNLM/NLM Offerings" and shows "Found 21" results. A "Sort by" dropdown menu is set to "Title". Two course listings are visible:

- A Seat at the Table: Working with the Disaster Workforce**  
Libraries have a critical role to play in disaster preparation and recovery, but they need to be at the table with the right people. This self-paced online class prepares librarians on how to work with first responders, public health departments, local health care facilities, and emergency planners.  
Tags: DISASTER INFORMATION SPECIALIZATION, INFORMATION SERVICES, FREE, HEALTH INFORMATION PROFESSIONALISM, NNLM/NLM  
Enrollment: Member Free, Non-Member Free, N/A for Enrollment
- ABCs of DNA: Unraveling the Mystery of Genetics Information for Consumers**  
Consumers need access to information and resources about genetic information in an understandable manner. Librarians  
Enrollment: Member Free, Non-Member Free, N/A for Enrollment

On the right side, there is a search box and a filter sidebar. The search box contains the text "Search". The filter sidebar includes sections for "Category" (with an "Unscheduled" checkbox) and "Tag" (with checkboxes for Consumer Health Information S, Disaster Information Specializa, Evidence-Based Practice & Re, Free, Health Information Professiona, Health Science Librarianship Pi, Information Management, and Information Services).

*Have a great  
Spring!*

*Enjoying Life*
