

**Better Connections**

lead to

**Intentional Conversations**

which lead to

**Listening to Others as if They Are Wise**

which leads to

**Forming a Message**

which leads to

**Intended Meaning of that Message**

which leads to

**(Re)claiming Responsibility for the Impact  
of the Message**

which leads to

**Making Meaning from This Conversation**

which leads to

**Impact on Connection**

which leads to

**Better Connections**

...and the cycle repeats
