

RESOURCE LIST

Sources of Funding:

NNLM Funding:

<http://nnlm.gov/funding/>

Provides information on funding opportunities available through the NN/LM and through NLM; the page includes useful tools to assist you in proposal writing.

Grants.gov:

<http://www.grants.gov/>

Provides a simple, unified electronic storefront for interactions between grant applicants and the Federal agencies that manage grant funds. There are 26 Federal grant-making agencies and over 1,000 individual grant programs that award over \$500 billion in grants each year. Health-related agencies posting their funding opportunities in Grants.gov include:

- Agency for Healthcare Research and Quality (AHRQ)
- Centers for Disease Control and Prevention (CDC)
- Food and Drug Administration (FDA)
- Health Resources and Services Administration (HRSA)
- National Institutes of Health (NIH)
- Substance Abuse and Mental Health Services Administration (SAMHSA)

Candid (formerly the Foundation Center):

<http://candid.org/>

Provides a comprehensive starting point for practical current information on grants. A particular strength is the large up-to-date database on foundations and corporate giving. The site also has a wealth of resources on proposal writing.

Grantmakers in Health:

<http://www.gih.org/>

Resources for healthcare philanthropy, with list of grant-funders who support health-related programs.

Proposal Writing Websites:

Community Tool Box – Write a Grant Application for Funding:

<https://ctb.ku.edu/en/table-of-contents/finances/grants-and-financial-resources/grant-application/main>

A toolkit on writing grant proposals from the Community Tool Box, a website created and maintained by the Work Group on Health Promotion and Community Development at the University of Kansas.

Grant Writing Tip Sheets – National Institutes of Health (NIH):

<https://grants.nih.gov/grants/how-to-apply-application-guide/format-and-write/write-your-application.htm>

A collection of guides and tip sheets from the NIH institutes. Tip sheets include developing grants, quick guide for preparing applications and tips for new applicants.

Proposal Budgeting Basics:

<https://learning.candid.org/training/courses/introduction-to-project-budgets/>

A resource from Candid, this website provides the basics of developing a project budget, including overhead costs, employee fringe benefits, and links to sample budget templates.

This project has been funded in whole or in part with Federal funds from the National Library of Medicine (NLM), National Institutes of Health (NIH), under cooperative agreement No. UG4LM012340 with the University of Maryland, Baltimore.
