

Access with Any Device!

MedlinePlus provides a consistent user experience from a desktop, tablet, or phone. All users, regardless of how they access MedlinePlus, will find the same trusted health information.

NIH MedlinePlus Magazine

The NIH MedlinePlus magazine is the trusted consumer publication that complements the authoritative online health and medical information on MedlinePlus. The magazine highlights the National Institutes of Health's latest medical research and healthcare information. Also available is *NIH MedlinePlus Salud*, a bilingual publication (Spanish/English) with health information for Spanish speakers. Print subscriptions to both magazines are free of charge.

About MedlinePlus

MedlinePlus is the National Institutes of Health's (NIH) website for patients and their families and friends. Produced by the National Library of Medicine (NLM), the world's largest medical library, it brings you information about diseases, conditions, and wellness topics in language you can understand. MedlinePlus offers reliable, up-to-date health information, anytime, anywhere, and for free. There is no advertising on this site, nor does MedlinePlus endorse any company or product.

Need Help?

Librarians can help find health information for patients and professionals. To identify a local library, visit <https://nnlm.gov/members/directory>. The National Network of Libraries of Medicine (NNLM), an outreach program of NLM, provides assistance and training nationwide. Contact the NNLM by visiting <https://nnlm.gov/>.

The screenshot shows the MedlinePlus website homepage. At the top, there is a blue header with the NIH logo and the text "U.S. National Library of Medicine". Below this is the MedlinePlus logo, which includes a stylized "M" icon and the text "MedlinePlus® Trusted Health Information for You". To the right of the logo is a search bar with the placeholder text "Search MedlinePlus" and a green "GO" button. Below the search bar are links for "About MedlinePlus", "Site Map", "FAQs", and "Contact Us".

The main navigation bar includes "Health Topics", "Drugs & Supplements", "Videos & Tools", and "Español". Below this are several featured sections:

- Health Topics:** Find information on health, wellness, disorders and conditions. (Icon: Apple)
- Drugs & Supplements:** Learn about prescription drugs, over-the-counter medicines, herbs, and supplements. (Icon: Pill)
- Videos & Tools:** Discover tutorials, health and surgery videos, games, and quizzes. (Icon: Play button)
- Medical Encyclopedia:** Articles and images for diseases, symptoms, tests, treatments. (Icon: Stack of books)
- Medical Dictionary from Merriam-Webster:** Look up in Dictionary. (Icon: Dictionary)

There is also a "Share MedlinePlus" section with social media icons for Facebook, Twitter, and Google+. Below this is a featured article titled "Do you know the risks of high blood pressure?" with a sub-headline "Learn how to minimize them on our High Blood Pressure page." and a video player with a progress bar.

Other sections include:

- Today's Health News:** "Many Young Adults with High Cholesterol Not on Statins as Recommended", "Plant-Based Diets Score Big for Healthy Weight Loss", "Ready Your Home for Winter's Wrath", and "More health news".
- Stay Connected:** Sign up for MedlinePlus email updates. (Form: Enter email address, GO)
- NIH MedlinePlus Magazine:** Read the latest issue. (Image: Magazine cover)
- Clinical Trials:** Search ClinicalTrials.gov for drug and treatment studies.

At the bottom, there are icons and text for "Easy-to-Read Materials", "Organizations and Directories", "Health Information in Multiple Languages", and "MedlinePlus Connect for EHRs". Below this is a footer with links for "Get email updates", "Subscribe to RSS", and "Follow us" with social media icons.
