## Search for Drug Information

PubMed Health includes research on the clinical effectiveness of vitamins and drugs.

Related terms for the drug are searched. (A drug brand name will access information on the generic drug.)

Results may include:

- Drug Topic Page
- Evidence Reviews
- Summaries for Consumers

Browse drug topic pages by clicking **Drugs A-Z** under the **Contents** tab.

- Drug information may include: uses, side effects, brand names, drug classes, and a featured article on the drug.
- Each drug page includes **Evidence Reviews** and **Summaries for Consumers**
